## EverFocus will Showcase its Full Vehicle Solutions at AutoTronics Taipei 2017

EverFocus is going to exhibit its full vehicle solution at AutoTronics, the Asia's premier leading sourcing fair for auto parts, 2017 Taipei International Auto Parts & Accessories Show (Taipei AMPA) during 19 to 22 April, 2017. The exhibition provides these exhibitors the chance to highlight their offerings to a crucial and growing market, providing better quality and innovative products, and also offering customizations to meet the various needs from the global.

EverFocus will highlight its latest application at the event as a solution provider to offer customers with vehicle surveillance solutions utilizing its complete product line-up, and will be showcasing a whole package service for intelligent security surveillance including Web-based fleet management system-XFleet, Mobile DVRs, Mobile Cameras and related accessories like communication modules, fireproof recording box, TPMS.

The EMV series mobile DVRs adopt the M12 Aviation connectors along with the anti-shock and anti-vibration housing; and have been specifically designed for in-vehicle applications. The latest EverFocus digital video recorder generation is based on H.264 compression

technology, resulting in enhanced recording capacity and improved network image transmission speed with high image quality. Its comprehensive features along with the embedded 3-axis g-sensor function enable the almost universal application of this full HD mobile DVR series. It also supports various interfaces. The EMV series provides two kinds of bracket: Z-Type Bracket & Anti-Vibration Bracket. Each bracket is designed to meet different standards such as EN50155 and SAE-J1455.

Xfleet is a Web-based fleet management system which integrates GPS positioning, 3G/4G/WiFi mobile wireless communication and GIS (Geographic Information System) technology, allowing users to easily track, monitor and manage any type of fleet vehicles on a Web browser anywhere and anytime.

In Vehicle surveillance and tracking application, customers request more and more data for monitoring and analyzing at this time. EverFocus is ready to assist all our customers to complete their projects, no matter software or hardware. Please be sure to visit EverFocus booth L0707 AutoTronics Taipei, in NANGANG Exhibition Center, during April 19<sup>th</sup> to 22<sup>th</sup>. EverFocus looks forward to providing you more detail about our products and solutions!
